

# Ombuds Visitor

SARAH A. ATIF

I stand to look around  
To find my way through  
A resource that's willing to help  
One that is not reporting  
That is not a formal process  
One that guides but doesn't judge  
That doesn't take sides  
One that helps me connect the dots  
One that is my thought partner  
That helps me see through  
That helps me navigate  
So, I can be where I want to be (changed a word from need to want)
